Washington State Bank

WSB eDeposit through Mobile App

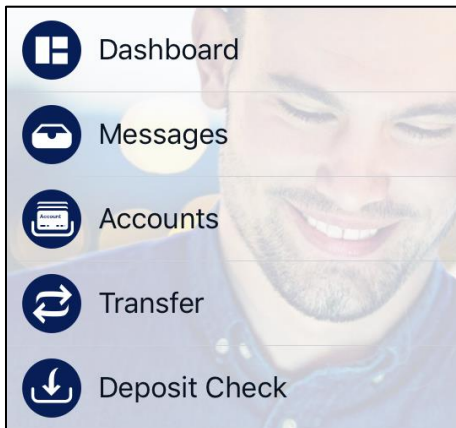

1. Download Our Free Mobile App

Access your device's App Store and search *Washington State Bank* to download the app.

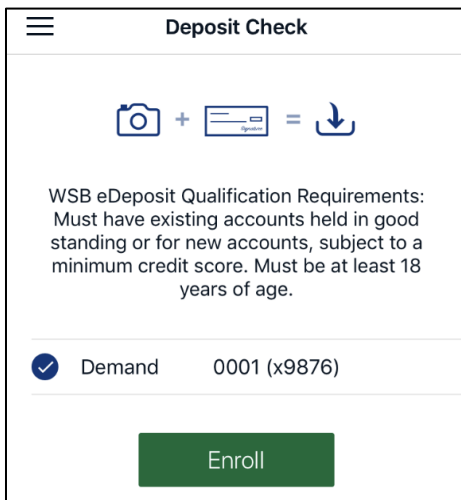

2. Select Deposit Check in Menu

Login to the mobile app using your online banking credentials. Once logged in, tap on the menu button and then tap *Deposit Check*.

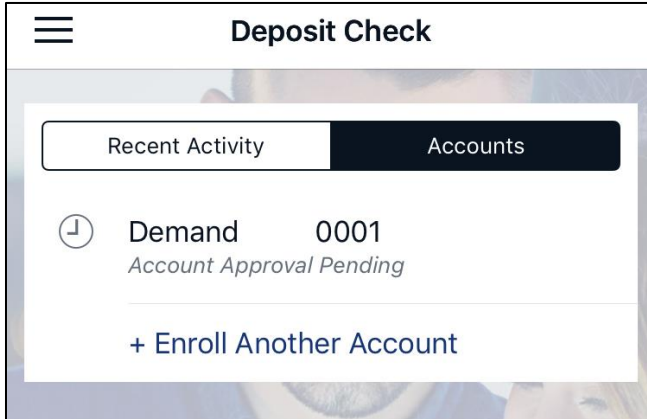

3. Enroll Your Account

Choose the account you would like to have available for deposits and then select *Enroll*.

4. **Waiting for Approval**

Once you're enrolled, you will see that your account is pending approval. This usually takes 1-2 business days. You can also enroll another account for deposits by selecting *Enroll Another Account* and repeating steps two and three listed above.

5. **That's It! You're Ready to Start Making Deposits**

Once your account has been approved, you'll see your account is Enrolled. Just select *Deposit a Check* to start your deposit.
